

CARL PERKINS: CTE FUNDING

The Career and Technical Education program must adhere to state law, Texas Education Code (TEC) 29.181 and TEC 42.154. Chapter 29 addresses the programmatic guidelines related to eligibility, identification, and program services. Chapter 42 addresses the funding weight(s) and allowable costs. Specifically, each school district shall identify students eligible for the CTE program and serve the students in an appropriate manner to obtain state funds. The Master Schedule shall serve as the official document to support that each student was enrolled in a CTE course.
