Parents & Guardians:

You have been an important part of our return to school planning and preventing the spread of COVID-19 in our community. The safety measures we have put into place are working, and together, we are helping to slow the spread of COVID-19. We are now in the yellow phase of our Opening Phases Plan, and we are moving to temperature checks as needed. We ask that you continue to help us slow the spread of COVID-19 by ensuring your child is not exhibiting symptoms of COVID-19 on a daily basis before school. Screen your child for the following COVID-19 symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If your child is exhibiting symptoms, have your child stay home, contact your child's doctor, and notify your child's campus nurse. If your child has been identified as a close contact (within 6 feet for 15 minutes or longer) of a test confirmed COVID-19 positive case, your child must stay home, and we ask that you contact your campus nurse.

Visit our website [SWISD, Your Choice. Our Commitment.](http://www.swisd.net), for more detailed information under Incident Reporting.

Sincerely,

Dr. Lloyd Verstuyft  
Superintendent of Schools

Valerie Maldonado, MSN, RN  
Director of Health Services

Padres y tutores:

Nuestras familias han sido una parte muy importante en la planificación y prevención de la propagación de COVID-19 en nuestra comunidad. Las medidas de seguridad que hemos implementado están funcionando y juntos estamos ayudando a prevenir la propagación del COVID-19. Ahora estamos en la Fase Amarilla de nuestro Plan de Apertura y continuamos realizando controles de temperatura según sea necesario. Le pedimos que continúe ayudándonos a prevenir la propagación de COVID-19 asegurándose de que su hijo no presente síntomas de COVID-19 antes de asistir a la escuela. Examine a su hijo para detectar los siguientes síntomas de COVID-19:

- Fiebre o escalofríos
- Tos
- Falta de aire o dificultad para respirar.
- Fatiga
- Dolores musculares o corporales
- Dolor de cabeza
- Nueva pérdida del gusto u olfato
- Dolor de garganta
- Congestión o secreción nasal
- Náuseas o vómitos
- Diarrea

Si su hijo/a presenta síntomas, haga que se quede en casa, comuníquese con el médico de su hijo y notifique a la enfermera de la escuela de su hijo. Si se ha identificado que su hijo/a ha tenido contacto cercano (a menos de 6 pies durante 15 minutos o más) con una persona de caso positivo de COVID-19 confirmado por una prueba, su hijo debe quedarse en casa y le pedimos que se comunique con la enfermera de la escuela.

Vea [SWISD, Su Elección. Nuestro compromiso.](#) para obtener información más detallada en Informes de incidentes.

Sinceramente,

Dr. Lloyd Verstuyft  
Superintendente de escuelas

Valerie Maldonado, MSN, RN  
director de servicios de salud
