

Southwest ISD is planning on exceeding the 15% cap on Title I rollover funds for the 2010-2011 school year. The District plans to utilize the larger rollover to help implement campus wide programs at two new elementary schools, as well as the four secondary schools for the 2011-2012 school year. The District will also be implementing a re-write of the curriculum and staff development to support the campuses in getting ready for the STAAR accountability. If you have questions, feel free to contact Mr. Bill Atkins at 622-4731. Thank you.
